PESTICIDE | PRINCIPLES OF SAFE HANDLING AND APPLICATION OF PESTICIDES – DIGITAL LEARNING PA1

Principles in Safe Use of Pesticides Training and Assessment is a pre-requisite qualification for application modules. Learners complete Digital Learning at their own pace with no time limit to learning and they can go back through slides to reinforce knowledge. We recommend combining your knowledge attained through the Digital learning with the Evolve multiple choice City & Guilds NPTC Principles of Safe Handling and Application of Pesticides Assessment and offer flexible delivery options:

	<p>LANTRA Digital Learning</p> <p>Learners are given access to the LANTRA Digital Learning, supporting workbook and City & Guilds NPTC Assessment guidance.</p> <p>At the end of the Digital learning, learners will be eligible to download a LANTRA certificate of Training. Training competence certificates to be sent to info@seltc.co.uk for eligibility to take Evolve multiple choice City & Guilds NPTC Principles of Safe Handling and Application of Pesticides Assessment.</p>
	<p>LANTRA Digital Learning with technical support self-study session</p> <p>Learners who prefer online study are given access to digital learning, supporting workbook and City & Guilds NPTC Assessment guidance prior to your self-study session which is supported by South East Landbased Training Courses LLP. At the end of your digital learning, recap question and answer session you will be eligible to take your Evolve multiple choice City & Guilds NPTC Principles of Safe Handling and Application of Pesticides Assessment.</p>

LANTRA DIGITAL LEARNING CONTENT

Digital Learning is split into 4 sections listening and or reading slides of 3 modules, at the end of the training candidates will be able to:

1. Understand your duties under the law
2. Legislation on Application Use
- 3a. Interpret & Use Label Information
- 3b. Storing, Transporting & Disposing of Pesticides & Containers Safely
4. Take appropriate action to individuals & the environment while correctly recording accurate information

CITY & GUILDS NPTC EVOLVE ASSESSMENT CONTENT

- The Assessment is a one hour multiple choice exam that is mandatory for all candidates.
- There are 40 questions. They must be completed in 60 minutes.
- The exam is timed for 1 hour from the moment you start the first question
- Should the candidate be unsuccessful in first attempt, retakes can be purchased without additional training.

The assessment for PA1 consists of a computer based multiple choice exam paper (1 question with 4 possible answers – only 1 answer is correct). The exam has questions taken from the bullet points on the assessment schedule as follows:

- Section 1: Legislation – 4 Questions
- Section 2: Product Label – 6 Questions
- Section 3: Safety & PPE – 8 Questions
- Section 4: Storage & Transport – 3 Questions
- Section 5: Disposal – 5 Questions
- Section 6: Record Keeping – 3 Questions
- Section 7: Environmental Factors – 4 Questions
