LIVESTOCK | ANIMAL TRANSPORT LONG JOURNEYS

for journeys over 65km (40 miles) and over 8 hours in duration

Up to 4 hours training if you are involved in the transportation of animals by road on long journeys. This qualification will ensure you meet the requirement for a Certificate of Competence outlined in the Protection of Animals During Transport and the Welfare of Animals (Transport) Order. The qualification is species specific (e.g., cattle, sheep, goats, pigs, poultry, horses, game birds).

Training will be followed by a City & Guilds NPTC This qualification is made up of three units

UNIT 1 – Long distance transport of animals by road – principals (assessed by on-line multi-choice EVOLVE based test or via oral questioning from an approved assessor).

UNIT 2 – Long distance transport of animals by road – principals (assessed in one-to-one practical with an approved assessor).

UNIT 3 - Drive an animal transport vehicle – this unit requires the candidate to complete a journey minimum of 15 miles with minimum 75% load of vehicle with the vehicle being of a type that the candidate normally drives (assessed in one-to-one practical with an approved assessor).
